HOW TO BID

This is a live Internet auction. Anyone not bidding live must submit bids via this form before the closing date and time. On any given lot, the winning bid will be reduced to the next increment above the second-highest bid. In the case of tie winning bids, preference will be given to whichever bid was submitted first.

Please remember that a 19.5% Buyer's Fee will be added to the winning bid amount for each lot. If you pay by **cash, check, money order, direct deposit or wire transfer**, then we will grant you a reduction of 2% from the Buyer's Fee (**net 17.5%**). Also added to the total purchase will be tax (if applicable) and shipping cost.

All new clients must provide financial or numismatic references (with contact phone number) or supply a 25% deposit by wire, check or money order, which will be applied toward payment for lots won or refunded in case the bids are unsuccessful. Credit card details may be submitted for deposit in lieu of check or money order. **Any bidders with an overdue balance with Daniel Frank Sedwick or Daniel Frank Sedwick, LLC must complete payment of their previous balance before their bids will be accepted.** We reserve the right to reject any bids we feel are not submitted in good faith.
